Hi 10 2 e,

The activity referred to in the press release is a running project the Netherlands Embassy in Amman has with UNRWA under the "reception in the region" fund (the 260 million fund for Iraq, Jordan, Lebanon and Turkey). The project was initially signed for the period Nov 2016-Nov 2017 but has been extended under a non-cost extension until the end of March 2018. The Embassy is looking into a new (possibly similar) bilateral project with UNRWA now, but whether there would be funding for that is not clear yet.

As to core funding, we already paid the annual contribution of 13m euro. I don't think there's been any talk about additional core funding to UNRWA so far.

Regards,

10 2

Morning 10 2

Keifak? Long time no see..

Can you please tell me if the below announcement is new funding?

Can you also specify Dutch contributions to UNRWA so far and if more is expected?

Many thanks for your kind help.

Best,

10 2 e
