Subject: Phone Call Between Minister Kaag and UNRWA CH
Date: woensdag 10 januari 2018 17:22:19

Hi 10 2 e,

I'm sure 10 2 e updated you on the phone call between Minister Kaag and Krahenbuhl.

UNRWA is hard-pressed for cash and asked the Ministry earlier to expedite the payment. The minister agreed to this and my colleague 10 2 e is happy that the Minister Kaag's intervention will help remove administrative impediments.

I was asked to check the pulse of other donors, which I will do after Minister Zijlstra leaves. He already heard about the phone conversation from Krahenbuhl.

I think it would be a good idea if we raise the issue on HoCs or preferably HoMs level but only after we know what exactly the US will decide.

Regards,
