Dear 5.1.2e

buiten verzoek.
buiten verzoek. Shield can proceed to employ them as soon as possible, starting October 1st 2022. I mentioned today that Shield will contact them for further arrangements. Based on the last list you send to me, after the background check, all guards know what they can expect (or not) from Shield.

We still have some questions pending:
- today at 16.30 hrs. we can meet with 5.1.2e to sign the contract. 5.1.2e only has half an hour, but I think it will be enough to meet, greet and sign. Next week 5.1.2e 5.1.2e 5.1.2e , 5.1.2e 5.1.2e (5.1.2e and 5.1.2e 5.1.2e would like to meet with you. They will make contact with you for an appointment.

5.1.2e

- below you find a list of the addresses of the embassy:

No.	House name	Address
1	Chancery	House 76A and 76B, Street 47, Khartoum II

5.1.1b

I think that this covers it all for the moment. We see each other in the afternoon.

Kind regards,

Dear 5.1.2e,

I am happy to inform you that our ministry agreed to sign a contract with Shield company for one year. During that year the ministry will evaluate the cooperation and the service level of Shield, and a decision will be made about an extension.

Can you please send me as soon as possible the contract Shield is using? Depending on the contents of your contract the ministry can decide to use its own contract. As we discussed before, after signing the contract Shield will take over the security of the embassy, residence and staff housing gradually, and that the transition period will be about one month. Can you please inform me what steps Shield will follow? I will leave at the end of September 2022, and I really would like to finalize this process before.

Hope to hear from you soon.

Kind regards,

Dear 5.1.2e,

Thank you very much for your email, it was a positive coincidence, the same day the embassy received your email I also received an answer from the ministry. The ministry had some additional questions I already answered, so it looks we are moving forward in the right way.

In the meanwhile I would like to ask you if it is possible to send me the contract Shield is using, just to work ahead a little bit.

Have a nice weekend and I hope that in the beginning of next week I have further news for you.

Kind regards,
