

A hand-drawn garden plan on a grid background. The plan shows a large green lawn area, a blue rectangular swimming pool on the left, and a grey building with a grid of windows on the right. A red dashed line outlines a large rectangular area in the upper left, and a red dashed line outlines a smaller rectangular area in the lower right. Several trees and shrubs are sketched with black outlines and green shading. Four text boxes with leader lines point to specific areas of the plan, providing earthwork volume calculations in cubic meters (m³).

Talud steiler 4 m<sup>3</sup>

Verlagen maaiveld 0,05 m  
= totaal 7,5 m<sup>3</sup>

Verlagen maaiveld 0,25 m  
- 0,30 m = totaal 4 m<sup>3</sup>

Gat voor  
trampoline =  
1,5 m<sup>3</sup>
