Hoi,  
7 december wordt het dus voor de aankondiging van Equinor en RWE.

In het PO-stuk heb ik 7 of 8 dec. gezet.

Ivm aankondiging van AquaVentus op 8 december wordt NorthH2 naar 7 december vervroegd.

Groet, (10)(2e)

Onderwerp: Announcement Date

Hi all,

As in yesterday afternoon's Comms & Press Meetings, we also discussed the more or less simultaneous announcements of Aqua Ventus and NorthH2 in the Steering Committee this morning. Here too there is a feeling that a simultaneous media approach is undesirable and that both messages will easily interfere.

All things considered, it was unanimously decided that we would like to bring the Press Announcement forward from December 8th to December 7th. I have just coordinated this with RWE, who still had to check this date internally, but they don't see any objections either.

This means that the Press Announcement NorthH2 is now listed on the 7th of December! Which shortens the preparation time by another day, so today and Monday we will adjust the planning accordingly.

Best regards,

(10)(2e) (10)(2e)
